**REQUEST FOR RECONSIDERATION OF THE PATENT TERM ADJUSTMENT
UNDER 37 C.F.R. § 1.705(d)**

Mail Stop Patent Ext
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A Notice of Allowance for U.S. Patent Application No. 09/760,399 was mailed on July 27, 2004 with a patent term adjustment under 35 U.S.C. § 154(b), as of that date, of 655 days. For the reasons stated herein, reconsideration of this patent term adjustment is respectfully requested.

REMARKS

U.S. Patent Application No. 09/760,399 issued with a published term adjustment under 35 U.S.C. § 154(b) of 655 days. U.S. Patent Application No. 09/760,399 is not subject to a terminal disclaimer.

Period of adjustment under 37 C.F.R. § 1.703(a)

Applicants agree with the PTO calculation of the period of adjustment under 37 C.F.R. § 1.703(a)(1) of 655 days.

Period of adjustment under 37 C.F.R. § 1.703(b)

The period of adjustment under 37 C.F.R. § 1.703(b) is the number of days in the period beginning on the day ("the 3 year date") after the date that is three years after the date on which the application was filed under 35 U.S.C. § 111(a).

The present application was filed on January 12, 2001. The 3 year date specified in 37 C.F.R. § 1.703(b) is January 12, 2004. The patent is expected to issue 28 weeks after the Notice of Allowance date of July 27, 2004 (197 days after the 3 year date), which is February 8, 2005 (196 days). The difference between the 3 year date and the projected issue date is 393 days.

Reduction in period of adjustment under 37 C.F.R. § 1.704(b)

Applicants agree with the PTO calculation of the reduction in period of adjustment under 37 C.F.R. § 1.704(b) of 0 day.

Total patent term adjustment

For the present application, the total patent term adjustment under 37 C.F.R. § 1.703(f) is the period of adjustment under 37 C.F.R. § 1.703 reduced by the reduction under 37 C.F.R. § 1.704. The total adjustment is thus 655 days + 197 days (3 years from application date to date of mailing of Notice of Allowance) - 0 days = 852 days + date from mailing of Notice of Allowance to date of issuance, which is projected

presently to be 196 days = 1048 days. Applicants will submit a renewed petition when the issue date is determined by the PTO.

Applicant respectfully requests reconsideration of the patent term adjustment for this application. Office personnel are invited to contact the undersigned for Applicant via telephone if such communication would expedite this request.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Anthony P. Curtis', written over a horizontal line.
